

Before the
FEDERAL COMMUNICATIONS COMMISSION
 Washington, D. C. 20554

In the matter of)
 Amendment of Section 73.202 (b)) MM Docket No. _____
 Table of Allotments)
 FM Broadcast Stations) RM- _____
 (Kernville, California))

PETITION FOR RULEMAKING

To the Chief, Allocations Branch:

1. Dana J. Puopolo ("petitioner") respectfully requests the Commission initiate a rulemaking proceeding for the purposes of considering amending Section 73.202(b) of the Commission's rules. In support whereof the following is stated.

2. Petitioner proposes the Commission allot FM channel 250A to Kernville, California as its second local FM service. This would require amending Section 73.202(b) of the commission's rules as follows:

<u>Community</u>	<u>Present</u>	<u>Proposed</u>
Kernville, CA	273A	250A, 273A

3. Kernville is a Census Designated Place located in Southern California. It is located in Kern County. In 1990, the United States Census Bureau estimated Kernville had a population of 1656 persons.

4. FM channel 250A can be assigned to Kernville in full compliance with the Commission's minimum distance separation requirements. This is illustrated in Table A below, which lists stations and assignments within 240 kilometers. Coordinates used are N 35:45:41, W 118:18:00 and are located approximately 11 km east of Kernville. This site restriction is necessary to prevent short spacings with stations KMGV Fresno, CA & KLAX-FM East Los Angeles, CA. Petitioner is confident he can find a suitable transmitter site for this allotment if it is assigned as proposed.

5. Petitioner, or an entity with which he is affiliated, intends to apply for a construction permit to activate channel 250A if it is assigned to Kernville as proposed. If his application is granted, he shall promptly construct and operate the proposed station.

6. Petitioner hereby verifies and affirms that the statements given in this petition for rulemaking are his, and are accurate to the best of his knowledge.

Respectfully submitted,

Dana J. Puopolo
